

## DOOR/WINDOW DETECTOR **HOS DC-1**

Exclusively for the Blaupunkt HOS-Series

### Features:

### Product Features:

- Wireless door contact enhances installation
- Features long battery life to reduce maintenance costs and hassles
- Small enough to be mounted on door or window frames
- Low battery detection
- For indoor use only

### Technical Data:

- Signal Frequency: 868.3 (EU)/ 916.8 (US) MHz
- RF Range (open field conditions): 150M
- Battery Type: 1x CR2032 Battery (included)
- Battery Life: Anticipated Battery Life of up to 2 years (Supposed 10 triggers per day)
- Low Battery Monitoring: Yes (On device and transmitted to JSW APP)
- Tamper Detection: Yes (Front)
- Operating Temperature: 0°C-40°C
- Operating Humidity: 10%-80%RH
- Dimensions: Large piece: 71mm (H) x 27mm (W) x 14mm (D)  
Small piece: 71mm (H) x 13mm (W) x 13mm (D)
