

PIR MOVEMENT DETECTOR **HOS IR-1**

Exclusively for the Blaupunkt HOS-Series

Features:

Product Features:

- Powered by pre-inserted Lithium battery
- Features long battery life
- Low battery detection
- For indoor use only

Technical Data:

- Signal Frequency: 868.3 (EU)/ 916.8 (US) MHz
- RF Range (open field conditions): 150M
- Max. Detection Range: 16M
- Detection Angle: 110°
- Battery Type: 3 x 1.5V AA Batteries (included)
- Battery Life: Anticipated life up to 2 years
- Low Battery Monitoring: Yes (On device and transmitted to APP)
- Tamper Detection: Yes (Rear)
- Operating Temperature: 0°C-40°C
- Operating Humidity: 10%-80%RH
- Dimensions: Large piece: 110mm (H) x 61.4mm (W) x 51.6mm (D)
