

WATER DETECTOR **ISD-WD1**

Features:

Product Features:

- The Blaupunkt ISD-WD1 reliable water detection
 - Waterproof: Can float on top of water maintaining full alarm functionality even if it gets hit by water
 - Water detection for kitchens, bathrooms or basements
 - Powerful siren, 90dB if water leakage detected
 - With low battery warning (12 months life time)
 - No installation needed, just place it on the floor

Technical Data:

- Power source: 3*1.5V AAA (Excluding battery)
- Standby current consumption $\leq 20\mu\text{A}$
- Dynamic current consumption $\leq 100\text{mA}$
- Standby Battery lifespan 1 year
- Triggered battery lifespan 12 hours approx.
- Sound level 90dB (1 Meter)
- Operating conditions 0 to +45 °C, 0 % – 100 % RH
- Storage conditions 0 to +45 °C, 20 % – 50 % RH
- Dimensions (W×H×D) 95*42*95mm
- Weight 85g
