

PORTABLE AIR CONDITIONER

ARRIFANA 15

BAC-PO-0015-C06D | Cooling: 4.4 kW

Dehumidification System

Independent dehumidifying function with performance capacity of up to 80 l per day.

Turbo Mode

Fast and effective cooling.

Auto Evaporation System

Water removal by evaporation.

Quiet Operation

High efficiency at exceptionally low noise level.

Enjoy it.

Arrifana 15 was tested in extreme weather conditions in Australia with the following results: Water removal per day - 80l at a temperature of 35 degrees and a humidity of 85%. The air conditioner owes its excellent performance to its features and functions. Arrifana is equipped with a 4-sided fan, built-in water evaporation system, as well as two removable, washable and static filters. The device features a whole range of useful features such as self-diagnosis, auto-restart, auto mode, turbo mode and 24-hour timer.
